### CHRIS BILL THEODOROU, DMD, AND "LASER" THE THERAPY DOG

*Strongsville Dental & Laser Aesthetics*

Dr. Chris Theodorou seamlessly blends the latest advances in laser technology with an innovative approach to patient comfort. The founding dentist of Strongsville Dental & Laser Aesthetics, "Dr. T" brightens Cleveland's dental landscape through his masterful use of cutting-edge lasers, his selection of top-tier team members and his engaging of a friendly therapy dog named "Laser." Only a highly trained canine and a highly accredited dentist could replace the typical dental experience's pain and anxiety with beautiful results and genuine delight. Patients of Strongsville Dental & Laser Aesthetics enjoy premium dental and aesthetic services and the advanced care they deserve.
